

Goebel and M.I. Hummel Factory Marks and Stamps

Note:

1. Goebel Hummel Marks can be blue, or black underglaze, or overglaze. And in some instances can be a combination of incised and backstamped marks.
2. Goebel and experienced collectors acknowledge there may be occasional undocumented Goebel Hummel marks that are authentic.
3. Beginning and ending dates could include last 6 months of previous year and/or first 6 months of following year.
4. See a detailed description and use information at <http://appletreedeals.com/mi-hummel-porcelain-figurines/mi-hummel-factory-marks-history/>
